HawkEyes Silent Bird Deterrent

Ideal for
vegetable
gardens

Protect your garden, vegetables and soft fruits from bird attack with the silent HawkEyes wind driven bird scarer.

Ideal for use in vegetable gardens, market gardens, domestic gardens, allotments, vineyards, orchards, etc.

Hawkeyes Globes

Order Ref: 083

As the wind turns the globe, the combination of unsettling movement, bright warning colours, alarming predator eyes and flashing strobe light effects, panics, alarms and confuses the birds.

- Highly visible.
- Simple to assemble.
- No maintenance.
- Weather resistant.
- Wind driven.

For optimum protection, several strategically placed HawkEyes are needed using a mix of red and yellow globes.
